

A huge **THANK YOU** from the Extension Office to everyone that helped make the 2017 Cheyenne County Fair a success! With everyone's support we continue to "Make the Best Better." Also we want to thank Marty Fear for all his leadership and commitment the past 7 years. This was Marty's last Fair with us and we truly appreciate all that he has given to Cheyenne County. He will be greatly missed, but we wish him the best at his new position with Colby Community College.

Be watching the St. Francis Herald and Bird City Times for Fair Results. Thank you to their staff for all the wonderful coverage of the Cheyenne County Fair. If you see one of their staff, give them a "thanks," they always go out of their way to cover the Fair!

Another new 4-H year is soon approaching. Enrollment will be taking place the first of October. If you have any questions or know if someone interested in 4-H please contact the Extension Office at 785-332-3171
