

Our Summer events are fast approaching us, and we need some items for our stick horse project at day camp. We wondered if you could help us out by donating some of your odds & ends?

The list includes:

- Googly Eyes
- Beads
- Ribbon
- Chains
- Lace
- Necklaces
- Buttons
- Rick Rack
- Yarn
- Faux Fur
- Odds & Ends Earrings
- Tube Socks, Colorful socks - Must not be worn or stained, do not need matching socks
- Anything fun that you would want to decorate a stick horse with

We are also looking for a fish aquarium to borrow for the afterschool program! We are doing an Embryology project and will be having baby chicks hatch. We would like for the children to be able to see the chicks through the glass. If you have an aquarium that is 10 gallon or larger, that you would let us borrow for about a week, contact the Extension Office at 785-890-4880. Any help is appreciated!
