What is 4-H?

- 4-H is a volunteer led, educational program.
- 4-H is an informal educational program for all boys and girls 7—18 years of age as of December 31 of the New 4-H Year and enrolled in 4-H whether they live in town, the country, or on a farm.
- Youth ages 5—6 years of age as of December 31 of the New 4-H Year and enrolled in 4-H may participate as a Cloverbud through local 4-H clubs. See the Cloverbuds section for additional information.
- 4-H is having fun and learning with friends.
- 4-H is older 4-H members sharing experiences and teaching younger members things they have learned.
- 4-H develops “life skills” through the use of research based project materials and experiential learning.

What Happens in 4-H?

In 4-H, youth “learn by doing.” Youth learn useful skills, how to get along with people, and how to help your community. Some activities you can participate in:

- **Club Meetings...** members attend monthly meetings to plan and carry out what they want to do as a group
- **Project Work...** members choose at least one project of interest per year
- **Demonstrations...** members learn to speak in front of others
- **Recreation...** members play games and make new friends
- **Community Service...** members help improve their community
- **County Contests...** members may choose to enter contests and compete
- **Exhibits...** members exhibit their best project work at the county fair
- **Camps...** members may participate in a day camp, overnight camp, or stay in the dorms on the K-State campus
- **State Events...** members strengthen their leadership and citizenship skills while making friends from across the state
Parents: Partners on the 4-H Team

Parents are important in their 4-Her’s life. When you make 4-H a family affair, you will take an active role in your children’s activities. 4-H encourages children and their parents and other adults to work side by side, play together, and watch each other develop skills and talents.

Areas of Parent Partnership, Engagement, and Responsibility

**Enrollment**
- Learn what 4-H is about, it’s purpose, its objectives.
- Assist your children in selecting projects they like, they have the ability to do, and one for which you can furnish needed materials. Ask questions! Is there a project leader or project support in the county. If not, are you or someone you know able to provide support for your child to complete the project?
- Show a genuine interest and enthusiasm in 4-H, your children, and other club members.
- Go online to enroll in projects for the year.

**Club Meetings and Activities**
- Pay attention to communication from 4-H Club Leaders.
- Encourage your child’s participation in 4-H Club activities.
- See that your child has a way to get to club meetings and that he/she attends regularly.
- Attend club meetings with your child.

**Project Activities**
- Give encouragement and guidance in your children’s project work by showing enthusiasm and interest in their work with record keeping, KAP forms, demonstrations, judging, etc. Help them understand what to do, but give them the responsibility for the actual work that is to be done.
- Show a personal interest in your children. Show an interest in the projects they select and other events in which they participate.
- Inspire and encourage them to keep up with their 4-H records and complete their work.
- Familiarize yourself with project materials so you can help when needed.
- Provide for ownership and growth. Make it possible for your children to own their projects and help them plan for expansion of their project work.
- Share your talents and skills and consider becoming a 4-H Project Leader.
- Ask your local Extension Office for project material.

**Liaison**
- Keep in touch with members from the 4-H Club Leadership Team.
- Inform and remind your children of communications they have received.
- Reply to correspondence from your Club Leaders and the Extension Office, or help your children respond.

**Adult Leadership**
- Be willing to provide transportation. Be willing to volunteer for tasks that you can accomplish at the club and county level.
- **YOU could be a project leader!** It doesn’t take an expert in photography to be a photography leader—the same with most all projects. An adult willing to meet with members and help them explore the topic and being sincerely interested in working with members is most important. If you would consider being a project leader, talk with your club’s leaders or contact the Extension Office.
- The process to become a leader requires a volunteer application & background check and can be submitted by using 4-H Online. See page 16 for more information.

Why Join 4-H?

Kansas 4-H focuses on the development of these 5 life skills:

- A Positive Self-concept
- An Inquiring Mind
- A Concern for the Community
- Healthy Interpersonal Relationships
- Sound Decision Making

Benefits of 4-H

Through the eyes of members:

- They learn, make, or do things that appeal and are meaningful to them.
- They make friends, belong to a group and give and receive acceptance.
- They have a good time, which makes learning appealing and enjoyable.

Through the eyes of adults—members become a contributing and caring adult to his/her community because of the knowledge and life skills they learned in 4-H. They:

- Develop an inquiring mind and a desire to learn.
- Make decisions and solve problems.
- Relate to and work with other people (youths and adults).
- Develop a concern for their community and the people in it.
- Build their self-confidence.
Emblem, Colors, Pledge, Motto:

The colors of 4-H are:
- Green: life, springtime, youth
- White: fresh, clean

The four H’s stand for head, heart, hands, and health.

The 4-H pledge is:
- I PLEDGE
  - My Head to clearing thinking,
  - My Heart to greater loyalty,
  - My Hands to larger service,
  - My Health to better living,
  - For my club, my community, my country, and my world.

The 4-H motto is: “To Make the Best Better!”

4-H members and volunteers learn the pledge and use it in their daily lives. The motto is to remind us to always strive for improvement, to continually set goals and give every effort your best.

Mission of 4-H

To provide educational opportunities for youth and adults to work in partnership as they develop life skills to become healthy, self-directing, and contributing members of society.

How 4-H Began

4-H began in the early 1900s. Girls participated in canning clubs, and boys in corn and pig clubs. In 1914, Congress passed an act establishing cooperative Extension and 4-H across the country. Corn, poultry and garden clubs existed in Kansas as early as 1905.

4-H has changed since its early days. 4-H is no longer a program just for rural kids! We’ve evolved to meet the needs of today’s youth, and develop learning experiences for boys and girls of all ages. There is something for everyone!

Choose From Over 30 Projects!

Projects provide education experiences. Carrying out a project will help the member “learn by doing”, learn why things happen the way they do, and develop skills. 4-H members should take at least one project each year and complete the records for that project.

It is recommended that young 4-H’ers and first year members limit projects to two. Members should join projects prior to participating in project meetings.
The 4-H year begins October 1 and ends September 30 of the following year.

- Members live in towns, in the country, and on farms. 4-H is open to all youth regardless of race, color, national origin, sex, sexual orientation, or disability.

- Kansas 4-H Youth Development has a policy for open enrollment. Eligible youth may enroll in Kansas 4-H Youth Development programs at any time of the year.

- Youth wanting to join must be 7 years old and not older than 18 as of December 31 of the new 4-H Year in order to be eligible for 4-H. 4-H members who are selected as winners in late summer or fall, and who turn 19 before January 1, cannot compete in state or national contests, awards, or recognition programs.

- Youth ages 5—6 years old as of December 31 of the new 4-H Year to be eligible to participate in the Cloverbuds project which is offered through the 4-H clubs. Cloverbuds members are encouraged to attend Cloverbuds county-wide project meetings. (See Cloverbuds Section for policies.) There is no enrollment cost.

Check out the Sherman County 4-H Website for more information about 4-H. [http://www.sunflower.k-state.edu/4-h/sherman.html](http://www.sunflower.k-state.edu/4-h/sherman.html)
In Sherman County, Cloverbuds members should join a 4-H Club and enroll in the Cloverbuds Project.

1. 4-H Cloverbuds is activity-focused, rather than project-focused.
2. The 4-H Cloverbuds programming is cooperative, rather than competitive.
3. 4-H Cloverbuds exhibits can be showcased at fairs and public events, but a 4-H Cloverbuds member may not participate as a competitive exhibitor in traditional 4-H events. The 4-H Cloverbuds member may receive a 4-H Cloverbuds ribbon.
4. The 4-H Cloverbuds member is allowed to showcase a pet from the approved list in accordance with 4-H Cloverbuds pet policies. The 4-H Cloverbuds member may not have 4-H livestock exhibits that require long-term ongoing care or weigh-ins, nor can a member participate as a competitive 4-H exhibitor within livestock divisions.
5. The 4-H Cloverbuds members do not manage money.
6. The 4-H Cloverbuds member does not pay dues.

Cloverbuds Pet Policies

- A 4-H Cloverbuds member may showcase a pet from the approved pet list.
- Wildlife cannot be allowed (as per the Kansas Wildlife and Parks Policies and Statues)
- All pets must be caged, leashed, and/or contained as appropriate and manageable/under-control.
- A parent or guardian must be present with their child and pet at all times.
- Pets cannot be included in overnight exhibits at the fair but may be used as show-and-tell activity or showcase.

With 4-H Online, families will be able to manage their 4-H enrollments, using a secure web-based online database system instead of paper forms. With the 4-H Online system, families can ensure their 4-H records are accurate; leaders can help manage 4-H Clubs; and the local Extension office can focus on providing information and a quality 4-H experience for youth.

All you need is a computer, tablet or smartphone with Internet access and a valid e-mail address. The system works best with the Firefox or Chrome web browsers. If you do not have valid e-mail or are unable to complete the enrollment online, please contact the Extension Office. We have a computer available for you to use. For 4-H enrollment deadline dates & payment of the annual 4-H fee, see page 7.

Independent Membership Option
Kansas 4-H provides the option of independent membership. Any youth who wishes to be an Independent 4-H member in the Sunflower Extension District must complete an Individualized Study Agreement, which will be reviewed and approved by the Sunflower District Extension Board and Extension Agents. The study agreement shall be filed with the Extension Office in the county you are joining by the enrollment deadline date. A final report must be submitted by September 15 annually.

- Does the project meet the member’s needs and interests?
- Is the project in keeping with the age and ability of the member? Will it challenge the member?
- How much time does the member have and how much time does the project require?
- What season of the year has most of the activity of the project?
- Is the project acceptable to you as parents and does it fit into the family needs and situation?
- How much will the project cost? Is it affordable?
- Is adequate space and equipment available?
- Ask your club leader or contact the Extension Office to see if there are leaders to help with the project. If no leader is available, are you willing to help the member with the project? Or, do you know someone in the community who can help your child? If there isn’t someone to help with the project, we recommend choosing a different one.

Welcome to Sherman County 4-H!

You are a 4-H Member—Now What?

The paperwork is in, and you are officially a 4-H Member!
4-H is a Family Affair—Something the whole family can do!

Let’s get started!

Most 4-H clubs and the county 4-H program use an app to send families reminders about meetings and activities. To get reminders—download Remind: School Communication
(Join: 4-H Members & Family @379hac)
https://www.remind.com/classes/379hac/messages/stream/605fe2e4-39c8-43a3-a6d5-6f066f1b9b27

Club Meetings and Activities – Be sure to attend club meetings and events. The best way to know what’s going on and coming up is to be there and hear about it for yourself.

4-H Projects – Attend every project meeting you can! Project leaders are a wonderful resource. Begin working on your 4-H projects now. Do not wait until two weeks before Fair. Check with your club leader or project leader if they don’t call you! If there is no project leader, a parent may need to identify resources for the member to complete the project. Project materials are available:

• Reasonably priced materials are available for every project in Kansas 4-H. You can order the materials for your project online or contact your local Extension Office for a check out copy. Find a list of recommended materials at: http://www.kansas4-h.org/projects/

County/District Events – Get involved in county events; participate in 4-H Club Days, County 4-H Camp, Day Camp, and county/district project related events.

• http://www.sunflower.k-state.edu/4-h/ http://www.sunflower.k-state.edu/4-h/sherman.html

Club Leadership – During your first year in 4-H, you won’t likely be an elected club officer, but pay attention because you may want to get involved in that in the future!

Kansas 4-H Project Recognition – Youth in 3rd grade and above are encouraged to document their 4-H activities at the club, county, and state level in a Project Report. The report also helps you track community activities and your progress in 4-H projects. Ask older 4-H members about the benefit and importance of Record Books and record keeping as they apply for higher education, prepare their resume, and submit applications for jobs. http://www.sunflower.k-state.edu/4-h/forms.html. Check with your club leaders for the Project Report due date for your club & where to turn them in.

**Junior Leader Club**

This organization is for anyone who is enrolled in Leadership ages 12 to 18 years (4-H age) as of December 31 of the New 4-H Year. Junior Leaders help younger members and learn the value of community service.

- The group plans social activities and events for its members and the Sherman County 4-H Program.
- Participate in fundraisers to support education and leadership development.

**4-H Ambassadors**

The Ambassador program provides each county with the opportunity to develop a small-scale public information program through its members. The basic criteria of this program is:

- Ambassadors will be selected by a committee on the basis of an application.
- Must be a current 4-H member in good standing and have been a 4-H member for the last two years.
- Must be currently enrolled in high school.
- Must be willing to commit 2 years (1 year if you are a Senior) to the program.
- Must demonstrate an ability and willingness to work. This program is not designed to be an award - it will demand commitment and hard work.
- Must show obvious signs of courtesy, warmth and poise.
- Must demonstrate a keen sense of responsibility. Although the ambassadors will be a team, there will be a great deal of individual effort required.

**Sherman County 4-H Council**

4-H clubs elect two 4-H member (twelve years and older) representatives plus the club leaders to this group. They meet four times a year. The purpose of the Council is to aid in the development of all 4-H Youth programs (approved by the District Extension Board) by giving leadership to the planning and conducting of educational events, volunteer leader training and teen leadership development.

- The 4-H Council meets several times a year, typically on the first Monday of the month.
Community 4-H Club Meetings

4-H members are given the opportunity to learn and practice decision-making in group situations.

- Most clubs hold monthly meetings, normally the same time each month.
- Clubs organize opportunities for recreation, service projects and work on improving communication skills through talks and demonstrations.
- Members are expected to attend club meetings and parents are encouraged to attend...4-H is a family affair!

A meeting includes business, educational program and recreation. The club officers and 4-H members are responsible for conducting the meeting. Adult leaders serve as advisors.

- **Opening** - Call to order, Pledge of Allegiance, and 4-H Pledge.
- **Business** - Roll call, secretary’s report, treasurer’s report, committee reports, old business, and new business. It should be short and snappy. It is a small democracy in action. It presents the opportunity for group consensus and parliamentary procedures to be learned and practiced.
- **Education** - program, demonstrations, talks, and guest speakers.
  - **Demonstrations**—”Show and Tell” type presentations where 4-H members share some of the things they have learned in their project. Most consist of three parts: Introduction, Body, Summary.
  - **Illustrated Talks**—differ from demonstrations in that they tell how rather than show how. Charts, models and other visuals are important for illustrated talks.
  - **Project Talks**—Project talks are given about the member’s project. They project talk can relate things experienced in the project, or give information relating to the project.
- **Fun** - recreation, songs, skits, refreshments, and entertainment.

http://www.sunflower.k-state.edu/4-h/sherman.html

Club Officers

4-H Club officers are elected by members. Each officer has a specific job.

- **President** Presides over the business meeting. Keeps members involved and discussions organized.
- **Vice President** Leads in the president’s absence, introduces guests, and is the program chair.
- **Secretary** Writes meeting notes, keeps attendance records, maintains and brings the secretary’s book to all meetings, and keeps track of all communications.
- **Treasurer** Takes care of the club money, pays bills, keeps an accurate account of the club’s finances, and reports at each club meeting.
- **Reporter** Sends news stories to local newspapers/radio stations and plans publicity for events.
- **Recreation** The recreation leader leads games and other fun activities.
- **Song Leader** The song leader leads the group in singing.
- **Committee Chairs** Clubs may have several committees. Depending on the club size and focus, committees may include membership, recreation, community service, fundraising, and social events.

https://www.kansas4-h.org/resources/leader-resources/clubcorner/officer-resources/
https://www.sunflower.k-state.edu/4-h/Club%20Leaders.html
Clubs are assigned on an annual basis to help plan & carry out various county activities. Families are asked to support their club as they carry out various tasks.

25. Plan and present a model meeting during the current year. See suggested procedures for model meetings in Guidelines for 4-H Days.
26. Complete any two self-determined goals. List Goals:
27. Have one member & adult serve on the Sherman County 4-H Promotion Committee.
28. Turn in club program & meeting schedule.
4-H Leader Roles

**Community Club Leader:** Volunteers responsible for the general organization of the club

**Project Leader:** A volunteer who leads a project. They are parents, a Jr. Leader, or a community member.

**JR Project Leader:** 4-H teens who work with an adult leader to give leadership to activities, events, and/or projects. A 4-H member who is 12 years of age as of December 31 of the new 4-H Year and enrolled as a JR Project Leader (county-wide) in the specific project. They take an active role in helping the younger members in the 4-H Program.

**Parent Committee:** The committee is made up of three to five adults. Duties will vary from club to club, but their basic responsibilities are: recruit and orient project leaders and/or community club leaders, make arrangements for training leaders at the club level, connect with new families, and assist the club leader at his/her request.

Share Your Skills—Become a 4-H Volunteer

*Today’s youth need caring adult volunteers to assist them to develop leadership citizenship and life skills.*

*Pledge to share with 4-H’ers in your community. Volunteers help members with 4-H projects and activities.*

*You could launch a career. The return on your investment is something that money can’t buy.*

*Invest in the future today!*

All individuals who work in close, ongoing interaction with youth, or volunteers (youth or adult) with authority to independently plan and conduct 4-H educational experiences for youth with other adults present or in a public setting must go through the Volunteer Screening process.

**We encourage parents to become a registered volunteer.**

New Adult Kansas 4-H Volunteer Applicant Steps

1. If your family uses the Kansas 4HOnline system at: [https://www.kansas4-h.org/resources/4-h-online/index.html](https://www.kansas4-h.org/resources/4-h-online/index.html) you already have a family account. Login to your family and add yourself as a new family member. If your family has never used 4HOnline, you will need to create a new family account before creating an adult profile for yourself.
2. Complete the Kansas 4-H Volunteer Orientation via Kansas 4HOnline at home or your local Extension Office.
3. After completing the Kansas 4-H Volunteer Orientation, notify your local Extension Office and schedule an interview appointment with 4-H Staff. **Sherman County Extension Office: 785.890.4880**
4. Upon completing the interview, the Extension Office will provide information for the required background checks. Initial screening of volunteers will occur when you sign up to volunteer. Re-screening for volunteers will be done by the Sunflower Extension District Board every three years from when the original screening was completed.
5. The Extension Office will compile information and submit the applicant’s packet for approval.
6. The Extension Office will send each volunteer a letter concerning volunteer status and appointment for 4-H work and update status within the Kansas 4-H Online system.
Each 4-H member is required to enroll in a minimum of one project. There are more than 35 different project options, and several levels, allowing a member to advance their skills. If your club, county, or district does not have a project leader, parents may need to find resources to help their child complete their project work.

4-H competitive events and fairs provide opportunities to have their project work judged against a set of standards. Exhibit evaluations are meant to be a positive and motivating part of the total 4-H experience. The exhibit is not an end in itself, nor does it illustrate all of the learning that has taken place during the 4-H year.

**Project work is completed in a number of ways.**

- Project meetings (in the local club or county-wide, workshop courses, etc.)
- Regular club meetings (demonstrations, project talks, etc.)
- Guest speakers, field trips, activities, etc.
- Tours
- Field trips
- Family activity at home
- Exhibiting projects at shows, fairs, etc.

The greatest and most lasting reward a 4-H member can receive:

- Satisfaction from a job well done
- Pride in his or her accomplishments
- Recognition from leaders, parents, and other 4-H members
- Knowledge and skill gained through the project

Question: Why is record keeping an important part of 4-H?

Answer: Good record keeping reflects accomplishments and serves as the basis for awards, trips, and other forms of recognition. Few people enjoy record keeping, however, keeping good records is a valuable life skill. Keeping records helps you keep track of what you are learning and helps you measure your progress. Your records are useful in the future when you are applying for scholarships and completing job applications.

Members are encouraged to complete a Kansas Project Report Form for each enrolled project annually. However, you may choose to complete a KPRF for one or more projects in which you are enrolled.

The KPRF covers only the work of the current year. The KPRF asks for information about goal setting, knowledge and skills learned, work accomplished including expenses and receipts, leadership, photos, and other project information. A permanent record form is required beginning with the 2020—2021 4-H year.

Members may receive county and state recognition awards based on completed project report forms and are invited to the Sherman County 4-H Achievement Program held in the fall. One senior level record book in each project area is eligible to compete at the Regional level.

• Citizenship photos reflect helping in your community and serving others without compensation.
Sherman County 4-H Kansas Project Report Forms (KPRF) Awards and Recognition

Sherman County - Kansas Project Report Form Judging (originally a KAP)

In October, 4-H members should complete and turn in to their club leader, a Kansas Project Report Form for their age group for one or more projects in which they are enrolled.

County Project Award Pins—Members completing their KPRF are eligible to compete for a county project award pin.

Top KPRF (Sponsored by Farm Credit Association)—This award is given to the 4-H members who have the neatest appearing, complete, and best overall achievement based on their KPRF applications. The top two Sherman County Kansas Project Report Form receive this recognition.

Senior KPRF Recognition (National Congress)—One Senior KPRF is awarded the top 4-H members record book in their respective project. Winners in various projects are eligible to compete at the area and state levels.

4-H member age of 14 and under 19 as of December 31 of the New 4-H Year (4-H age) will compete to go on to Area Screening. The Extension Office will contact county winners following County KPRF Screening. 4-H members who are eligible to compete in Area Screening may make corrections or changes recommended by the judges prior to the due date in early January. If you are 13 4-H age, pay close attention to your birthdate. You may need to complete a SR KPRF (Example: 13 now as of October 1, 2021, and you have a birthday on or before December 31, you must fill out a SR KPRF.)

Area Award Screening
The top Senior Kansas Project Report Form in most projects are sent to the area level, where they are judged in January against the top KPRF from the other counties in NW Kansas. No prizes or special awards are presented. (See above information for a member transitioning from age 13 - 14.)

State Award Screening
The top 2 KPRF in each project from the Area Screening are sent to the State Screening. Each finalist will receive a list of questions to create an optional five minute video presentation. Eligible winners have an opportunity to attend National 4-H Congress in Atlanta, Georgia. State level winners will be recognized at the Emerald Circle Banquet in Manhattan.

Former Award Winners
Members who have been a delegate to National 4-H Conference, or who have been to National 4-H Congress may only be considered for a state award program in which he/she has not been a state winner and which does not include a trip to the National 4-H Congress.
Member Achievement Pins
https://www.kansas4-h.org/resources/awards-and-recognition/

Achievement awards are based on completion of minimum standards and are non-competitive.

Awards build upon one another and 4-H members can only receive one membership pin a year and only one of each award while in 4-H, with the exception of the 1st year members who may apply for membership and Bronze Award in the same year. The awards are a way of recognizing 4-H members involved in the total 4-H experience which includes club participation, community service, project participation, leadership, and more. These achievement forms may be obtained on the 4-H website or at the Extension Office. These forms need to be submitted with your KPRF on the date specified by your club leader. (Note: The Permanent Record Form is optional in Sherman County, however, completing the form will be helpful to members in the future when they apply for scholarships and jobs.)

These are awarded to 4-H members who meet the requirements on the member pin application form and turn in a completed KPRF. Nine pins are awarded in a series: Membership, Bronze, Clover, Emerald, Silver, Silver Guard, Leadership, Gold and Gold Guard.

Key Award

The 4-H Key Award recognizes 4-H members who have an “all around” good 4-H record of accomplishments. To apply, 4-H’ers must have passed their 16\textsuperscript{th} birthday by December 31, completed 4 or more years and meet nine other requirements. Members complete a KAP along with the Key Award form to apply for this recognition.

- Members will be more successful if they plan to complete activities several years before they plan to apply for the Key Award.
- Members may use their past three years of 4-H work to complete the Key Award application.

“I Dare You Award”

This award is presented to members who have demonstrated excellence in character and personal development. They demonstrate qualities of constructive leadership as evidenced through challenges in community service, good citizenship, and excellence in education. Recipients are selected by the Sherman County Youth Development Program Development Committee (PDC) based on Key Award applications.

Other Recognition

Family and Consumer Science Award—This award is presented to the 4-H member who receives the highest number of ribbon points with their Family and Consumer Science exhibits at the NW Kansas District Free Fair.

Fair 4-H Grand Champion Award Jackets—4-H Division Grand Champion Award Winners receive a jacket personalized with their name, 4-H Emblem, and the project/s in which they received a Grand Champion Award. The jackets are distributed at the 4-H Achievement Night.
**National 4-H Congress**— National 4-H Congress is attended by nearly 1,500 4-H members from all states and territories. Kansas delegates include: state KAP project area winners, a random drawing of Kansas 4-H Key Award recipients, and Centennial Delegates.

**National 4-H Conference (April)**— 4-H delegates from each state meet in Washington, D.C. to share ideas and plan for future 4-H programs. Kansas sends two to four delegates.

**Citizenship Washington Focus**—This trip is typically held in the middle part of June. The applications are generally available in early December from the Extension Office and are due into our office by January 1st. You must be enrolled in the Citizenship project two years (one being the year in which you take the trip) and have turned in a Kansas 4-H Awards Portfolio on Citizenship the year prior to going. **Applicants must be 15 years of age as of December 31 to apply.**

**International 4-H**—These programs provide youth aged 12-25 and adults opportunities to learn another culture by living it. Programs include a four week visit to Japan, a six to eight week experience traveling to another country to see programs similar to 4-H. Funds for the youth programs are provided by the participants, Kansas 4-H Foundation, National 4-H Council, county 4-H councils, and other friends of IFYE.

**Kansas State 4-H Opportunities**

**Citizenship in Action (CIA)**
[http://www.kansas4-h.org/events-activities/conferences-events/citizenship-in-action/index.html](http://www.kansas4-h.org/events-activities/conferences-events/citizenship-in-action/index.html)

Held in Topeka in February for youth 13—18 as of December 31 of the New 4-H Year. *Would you like to have more influence in laws and rules that affect your life?* Then you’ll want to go to Kansas 4-H Citizenship in Action! This two day event is sponsored by the State 4-H Youth Leadership Council. The purpose of the event is for Kansas youth to learn how the state legislative process works and how their voice and participation in decision-making can make a difference in their local communities. The legislative visit will not only familiarize youth with the capitol building, but will also show them how they can affect the legislative process.

**Campference**
[https://www.kansas4-h.org/4-h-programs/camp/campference/](https://www.kansas4-h.org/4-h-programs/camp/campference/)

This event is focused on youth ages 12—14, as of December 31 of the New 4-H Year, and is in June at Rock Spring 4-H Center. Participants experience the feel of a conference, while enjoying the “camp” activities Rock Spring 4-H Center has to offer. Campference features workshops about opportunities in the 4-H program and activities to energize youth that will help them learn leadership skills.

**Discovery Days**
[http://www.kansas4-h.org/events-activities/conferences-events/discovery-days/index.html](http://www.kansas4-h.org/events-activities/conferences-events/discovery-days/index.html)

This event is held at KSU the week after Memorial Day. Members, leaders, and parents may attend. The focus of this event is to help 4-H'ers "discover" more about project areas, to strengthen what they are learning in the club, and to share with others. 4-H members must be at least 13 years old as of December 31 of the New 4-H Year, to attend.
Kansas Youth Leadership Forum (KYLFP) 
Held at Rock Springs Ranch in November. Build your leadership skills and potential through workshops, consulting groups, inspirational speakers and more. In addition, the State 4-H Youth Leadership Council will be elected at KYLF.

Emerald Circle Banquet 
This banquet is held annually during Discovery Days in Manhattan. State Kansas Project Report Form winners receive their recognition at the Emerald Circle Banquet. This is one of the most prestigious banquets and awards recognitions that a Kansas 4-H member can receive and attend.

Kansas State Fair (September)—For the most up to date rules and entry information see: 
http://www.kansas4-h.org/events-activities/fairs/kansas-state-fair/index.html
http://www.kansasstatefair.com/default.aspx

4-H members who receive top purple ribbons at the county fair may exhibit in the 4-H division at the State Fair in Hutchinson, providing they meet the age requirements. Some departments limit the number of exhibits allowed for each county. The minimum age for exhibitors is 9 (by January 1) in most departments. In addition, 4-H members may represent our county in style revue, demonstrations, informal presentations, art, judging teams, and photo fun day.

If showing livestock, members must complete the livestock nomination process of your specific species.

Beef nominations - (market steers & heifers) May 1.
Small animal nominations - (commercial heifers, market lambs, commercial ewes (whether dams), market hogs, commercial breeding gilts, and all meat goats) June 15th.

Show entry Deadline: July 15th

The Extension Office will take exhibits to and from the State Fair, with the exception of large articles, such as large woodworking items and livestock exhibits. Parents will be asked to help get their children to and from the State Fair.

Kansas Junior Livestock Show (early October)
http://www.kjls.org/

This event allows the 4-H members in livestock an excellent opportunity to participate and see what is happening in the livestock industry. 4-H members can enter beef, sheep, goat, and swine in this show is held at the Kansas State Fairgrounds in Hutchinson, KS.

Members must complete the livestock nomination process of your specific species.

Beef nominations - (market steers & heifers) May 1.
Small animal nominations - (commercial heifers, market lambs, commercial ewes (whether dams), market hogs, commercial breeding gilts, and all meat goats) June 15th.

Show entry Deadline: August 15th
Leadership/Officer Training

All club members are encouraged to attend the leadership training event. Sessions are held to introduce club leadership topics to current officers, future officers and club members. This is usually held in November after club officer elections. This activity will be a county or multi-county event, depending on which activity will best meet the needs and what schedules will allow.

Achievement Program

A time of celebration for 4-H members, leaders, parents, and clubs. Awards are given based on results of the county award application & KAP screening. This event is held in November.

County 4-H Club Day

At County Club Days 4-H'ers present project talks, illustrated talks, demonstrations, skits, talent, dance, Creative Tables, Life Skill Judging and more. Top entries are recognized and eligible to compete in Regional 4-H Days. This event is usually held in late March.

Model Meeting—[http://www.sunflower.k-state.edu/4-h/pdf/club_day_resources/modelmeeting_resources/Model%20Meeting%20Guidelines.pdf](http://www.sunflower.k-state.edu/4-h/pdf/club_day_resources/modelmeeting_resources/Model%20Meeting%20Guidelines.pdf)

Clubs plan a model meeting that depicts a typical monthly meeting of their 4-H club. It is evaluated by a judge.

Regional 4-H Club Day

At Regional Club Days, top entries from each county are recognized and then are eligible to compete in the competition. This event is usually held in late March or early April. Talent (dance, illustrated talks, etc.) can be entered in the State Fair.

Life Skills Judging Contest

Several contests are held during the year. The contest involves solving a stated problem and determining the best solution to the problem. Topics covered are horticulture, financials, foods, clothing, home environment and life skills. Typically the contests have been held at county club days, Regional club days, fair, state fair, and other times throughout the year.

Livestock Judging Contest

There are several livestock judging contests held locally and in the surrounding counties in which 4-H'ers have the opportunity to participate.

4-H members evaluate various classes of animals and give oral reasons as why they placed them the way they did. Every 4-H member in the livestock project should learn how to judge livestock, as it will aid them in selecting their project animals and will also help them strengthen their project.

4-H Shooting Sports Competitions

Shooting competitions are preliminaries to the State competition. 4-h'ers must shoot a qualifying score at a qualifying event in order to compete at the State competition. The Sherman County State Shotgun qualifier is usually held the end of August. The event is held at the Goodland Gun Club.

4-H shooting events held throughout Kansas can be found at the following website:

https://www.kansas4-h.org/events-activities/conferences-events/shooting-sports/local-qualifiers.html
**National 4-H Week (first full week in October)**

A week is set aside each year to recognize and promote 4-H across the country. Each year a theme highlights the week and we use it throughout the next two years. Our local clubs can have open house, window displays, write newspaper articles, do radio spots, television appearances, make posters, and many other activities that help promote what 4-H is all about.

**Cupcake Showdown** - Tentative

The cupcake showdown is open to all youth & adult community members to participate. The location, & time and theme will be determined from year to year.

**Team Divisions:** Team (minimum of 2 people) must enter in the Division of the oldest member on their team.

- Division 1: Ages 7—9
- Division 2: Ages 10—13
- Division 3: Ages 14—18
- Division 4: Youth/Adult Partnership
- Division 5: Adult

**Northwest District Horse Show**

[https://www.kansas4-h.org/events-activities/conferences-events/horse/districthorseshows.html](https://www.kansas4-h.org/events-activities/conferences-events/horse/districthorseshows.html)

District Horse Shows are preliminary for the State Fair Horse Show. 4-H members 12 years or older compete in performance classes to qualify for the State Fair Horse Show. The shows are held in various locations each year. The Northwest District Horse Show is rotated between Oakley and Norton in early July.
Animal Science Project Information

Sherman County Livestock Education Committee

The committee will meet 2—4 times a year to plan educational opportunities for 4-H Livestock Project Members. Members and parents are encouraged to attend.

Youth for the Quality Care of Animals (YQCA)

*Required for State Fair and KJLS, Recommended for all Animal Science Project Members*

YQCA is required for all youth livestock exhibitors at the Kansas State Fair and KJLS regardless of species. Even if you are not planning to attend the KS State Fair or KJLS, livestock members are encouraged to participate in a YQCA training to learn more about this program.

Rookie Guide—Kansas Youth Livestock State Nomination Process

The information included in this “Rookie Packet” is targeted to new families/households who will be nominating livestock projects for the first time. However, it may be useful to any family who has questions about the nomination process.

Kansas 4-H EID Tags required for Kansas State Fair and Kansas Junior Livestock Show (KJLS)

All animals nominated for the Kansas Junior Livestock Show and Kansas State Fair will be required to be tagged with the Kansas 4-H EID tags. DNA hair samples in official DNA envelopes are also required. Contact your local Extension Office for tags (they will be available at Sherman County weigh-in events) and to get DNA envelopes.

Why 4-H Members Should Say Thank You

4-H members who receive recognition should look upon it as both a badge of honor for work well done and a symbol representing the broad interest friends of 4-H have in the program. Say “thank you” to your friends of 4-H, i.e. trophy donors, livestock buyers, project and club leaders, parents, judges, etc. A personal letter is the most satisfying and lasting way to say “thank you”.

A well written thank you letter is often read by several executives. Many donors keep letters of appreciation. Write it as soon as possible! Remember, it’s not WHAT you say, but HOW you say it that counts. Your letter need not be long, but it should be sincere. Never underestimate the power of a thank you letter! Remember how it feels when someone says “thanks” to you or remember how you feel when someone doesn’t.

As the 4-H Year Begins Remember:

- 4-H youth are more important than the project exhibit itself.
- Learning how to do a project is more important than the project itself.
- To “learn by doing” through a useful work project is fundamental in any sound educational program, and is characteristic of the 4-H program.
- Generally speaking, there is more than one good way of doing most things.
- Our job is to teach 4-H members how to think, not what to think.
- Winning isn’t always measured by the results of the ribbon or judging event, but by the character of the 4-H member, parent, and leader.

They implement and help carry out new programs and suggest improvement for 4-H and other youth programs conducted by K-State Research and Extension.

**County Extension Agents**—[http://www.sunflower.k-state.edu/about/](http://www.sunflower.k-state.edu/about/)
They are professionals who help carry out the 4-H PDC’s objectives. Sunflower District has an office in Sharon Springs, St. Francis, and Goodland. The District currently has three agents who specialize in a specific area—livestock, family and consumer science, and 4-H Youth Development. We also have an area agronomy specialist serving the District and located in Colby.

**Area Extension Office**—[https://www.northwest.k-state.edu/](https://www.northwest.k-state.edu/)
Located in Colby, it houses an Area Director and several subject matter specialists.

**Area 4-H Specialists**
Located in Colby, an Area 4-H Specialist assists County Extension Agents in developing and carrying out 4-H and Youth Development programs.

**Rock Springs 4-H Center (Kansas State 4-H Camp)**—[https://www.rockspringsranch4hcamp.org/](https://www.rockspringsranch4hcamp.org/)
Located near Junction City, Kansas. Sherman County camps with a group of other counties in northwest Kansas. The Great Northwest Camping Group attends camp each year in June.

Board members are appointed by the County Commissioners to carry out and plan the County Fair each year.
For the most up to date rules and entry information see: [http://www.nwksfair.com/](http://www.nwksfair.com/)

County Fair is the highlight of many 4-H'ers year. It gives members an opportunity for an evaluation of his/her project. The County Fair is typically held the first part of August. Fair books will be available sometime the last part of June and are posted on the fair website. The books contain the class breakdown, special guidelines, and policies. You should take time read every section that pertains to your projects/exhibits.

- Only enrolled 4-H club members will be permitted to exhibit and compete in the 4-H division.
- You must enroll by May 1st in all projects that you wish to exhibit (unless an earlier date is required).
- If you are enrolled in a 4-H project, you may not enter that same project area in open class.
- Pre-entry is required for many 4-H exhibits. Consult the fair book if you have questions on your project.
- All exhibits must be work completed during the current 4-H year.
- All market animals (including swine, sheep, goats, & beef) will be weighed in and tagged at a county spring weigh-in date to establish a common starting date for the project. The exact weigh-in dates will be published in the county 4-H newsletter. The weigh-in date for beef will be sometime in February or March. The weigh-in date for swine, sheep, goats, and bucket calves (optional) will be sometime around the last of April or the first part of May.
  - All market animals must have an identification tag. Breeding (including bucket calves) and dairy animals are strongly recommended to have an identification tag, but not required.
  - All members must be enrolled in the project prior to weigh-in or the animal will be shown in open class.
  - Homegrown determination needs to be made at spring weigh-in.
- It is the 4-H member's responsibility to get their animals to the scheduled weigh-in/ID location. If the 4-H member cannot attend, they need to make arrangements to get their animals there. All animals must be identified and tagged at the spring weigh-in/ID to show in the 4-H Division at the county fair.
- All animals a member intends to show in the 4-H division at the County Fair must be tagged/identified at spring weigh-in/identification. If an animal becomes ineligible (i.e. dies, etc.) that animal cannot be replaced. (Members in the same family may show an animal that was tagged/identified by a sibling.) We recommend you weigh-in/ID additional animals at the spring weigh-in/ID.
- Horse Identification Papers. All 4-H'ers enrolled in the Horse project must submit their horse identification papers to the Extension Office by May 1 of each year.
- Health Requirements - All livestock must be healthy and originate from a herd free from infectious and contagious diseases. All livestock must comply with state and federal regulations affecting intra and interstate movement. It is the responsibility (morally and financially) of the exhibitor to see that these blood tests are done within the listed required time. Required tests will be listed in the livestock information of the fair book.

**Fair Set-up/Clean-up**

Each year on Thursday prior to the fair, the 4-H'ers, agents and parents are expected to help set-up the fairgrounds for the fair. This involves sweeping the 4-H & Ag buildings, and moving the display cases. It also involves setting up the panels and other miscellaneous activities that need to be done prior to the fair. It takes as much to set-up as it does to tear down. We would also like to see you help on Saturday while getting your fair ribbons, and etc. Take a look around to see what you can do to lend a hand. There are curtain panels and dividers to fold and take down.
Judging at County Fair

JUDGING SYSTEMS USED AT THE COUNTY FAIR

Remember that when you exhibit at the county fair, you are asking for the judge’s opinion. The judge’s opinion is just that: an opinion, and it can vary from judge to judge and day to day. It is an opportunity to explain what you have learned, and it is an opportunity to learn from an expert.

*Each project is a success, no matter what color the ribbon may be!*

CONFERENCE SYSTEM OF JUDGING

This form of judging allows for more flexibility on the part of the judge and the exhibitor. Exhibitors bring their projects to the judge at their convenience within the time allotted and talk to the judge about their project. The entire class does not need to be present at the same time. The judge then, based on all discussion, may award the ribbon and premium which he/she believes is appropriate without regard to percentages.

Examples of questions that might be asked:

- What kinds of things did you do in your project this year?
- How did you make it...grow it...build it...paint it...?
- Where did you learn how to...?
- What was the hardest part for you to do?
- What did you like doing best?
- What are you going to do with your rocket...drawing...cookies...?

DANISH SYSTEM OF JUDGING

A 4-H exhibit or process is evaluated against a set of standards, and recognition is awarded on the degree to which the standard has been met by each 4-H member. The standards of excellence are often printed on a judge’s scorecard, and allows for the 4-H exhibit to be judged on one’s own merit, and not in comparison with others in the class. The following ribbons apply:

**WHITE:** For one reason or another, the exhibit did not meet all the minimum standards, but it does not mean the exhibit is not worthwhile. This is a learning experience that the 4-H’er can ask, “what have I learned and how can I make it better”?

**RED:** The project met all the minimum standards for its class. The exhibit shows an honest effort has been put forth, and while there are visible signs of needed improvement, the skill level of the 4-H’er is increasing.

**BLUE:** The exhibit is outstanding on all the standards set up for the project. There are usually no flaws and if there are one or two very small ones, only the trained eye of the judge can see them.

**PURPLE:** The exhibit is outstanding on all the standards set up for the project. No room for improvement, only the trained eye of the judge can see them.

Aside from any ribbon placements, what is most important is that the member was participating in an activity that will build character and learning life skills that will be of benefit to them for life. People remember the member, not the ribbon color!

Only 4-H members will be seated with the judge during consultative judging. Parents may stand in proximity to hear comments but may not contribute to the conversation.

Necessary accommodations may be arranged in advance.
CLUB ROTATION EVENTS—Clubs are assigned on an annual basis to help plan and carry out various county activities. Families are asked to support their club as they carry out various tasks.

4-H YEAR BEGINS!

4-H Enrollment Opens October 1: Enroll using 4-H Online beginning October 1. [https://v2.4honline.com/](https://v2.4honline.com/)

How to be a 4-H MVP (Most Valuable Parent)

- Learn what 4-H is all about. Stay informed on what is happening in your club and county.
- Show a genuine interest in 4-H and your child.
- Attend 4-H meetings and activities with your child; encourage your child to participate in 4-H events.
- Make 4-H a priority in your home—read your 4-H mail promptly, and mark 4-H activities on your calendar.
- Provide encouragement and help in your child’s project work with record keeping, demonstrations, judging, and completion of attempted work—without doing the work yourself. Help members select, finance, and manage their projects. There are costs required for project literature and materials.
- Provide transportation to local club meetings, activities, and county-wide events.
- Provide a meeting place for a project group. Assist volunteers by providing refreshments or other help.
- Share your special talents by volunteering to guide or lead a project.
- Help volunteers conduct project work.
- Help volunteers locate and secure other qualified adults to assist with project work or 4-H activities.

Remember: 4-H members are the focus!

The 4-H program utilizes the “learning by doing” approach as we work to develop the potential of each 4-H member. This means that 4-H members and their families must assume a high level of responsibility for their own learning and involvement in program opportunities.

To get the greatest benefit out of 4-H, members need to:

- Attend and participate in all club and project meetings.
- Support and work on club-level activities and events.
- Participate in county, district, state and/or national activities and events that enhance project learning.
- Keep up-to-date on project-related work.
- Exhibit pride in being a 4-H member.

4-H is a community of young people across America learning leadership, citizenship and life skills.
